A Busy Month

Well, typically, our Lodge activities might have been postponed during this month due to vacations and being a traditionally *dark* month; but *WOW*, what a busy month we have scheduled. I hope you will check out the calendar and support the degrees planned for this month, especially **Wednesday, Aug 24 when R.W. John Cooper, GJW will be presenting Masonic Education during the 1st degree.** Oh, there will also be a dinner preceding the degree, and if you have not had one of our Bro. Staudt's delectable meals, you have greatly missed out on a most pleasing dinner. Why not call in your **RSVP right now at 951-663-1980?** Check out the advertisement further in the Trestleboard.

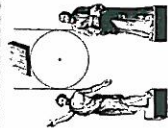

Past Masters Night

We also have three Brothers ready to be raised to the sublime degree of Master Mason and have scheduled them for this month.

Bro. Maling will be our Candidate for the Past Masters to raise on Aug 15. If you want to see the ritual perfected in the 3rd degree by *those who affirm that this is how they learned it*, then come support Bro. Maling in his journey to becoming a Master Mason. Refreshments will follow the degree. What a privilege to entreat a brother to retain that *goodness of heart, that purity of intention and that love of virtue.*

Master's Message, cont'd

Officers Called to Duty Attention, Attention!

All Lodge Officers are now required to **prove up** in the work of the next station or chair to which they aspire. Our *angle of work in the quarry* is nearing its completion for 6011, A.L., so we must prepare to move forward to the next level of expertise – the next station or chair to which we aspire.

I have already sent email instruction and schedules to the station officers and tentative Deacons for **prove up** in the work of their next station or chair. Our Sr. Warden, Bro. McNair, has been interviewing and selecting his line of officers for 2012. These brothers, too, must begin to prepare themselves for their *angle of work in the quarry*.

By the way, if any brother Master Mason aspires to serve in the *line of officers* or just seeks to participate in a degree as a *sideliner* please let Bros. McNair, Orr, the Master, or Secretary know your desire. A healthy lodge has many participants, not necessarily *line officers*, who enjoy participating in degrees. What Masonic richness is gained in learning the **Charge** for your *brothers and fellows* in a degree! Who will step forward to accept this challenge?

I hope you'll seek out your Masonic treasures with us.

Fraternally,

Dave Hall, Master

 Brethren,

If you have a desire to participate in any degree as a *sideliner* or in the *line of officers* please let us know. There are several parts in the ritual, some requiring little memory work. We hope you will aspire to serving a brother in his degree. If so, please contact us.
